TSW SYRAH 2019

Hand picked from 15 to 25-year-old dryland vines on Swartland Schist and Shale soils. Harvesting took place from middle February to end of February. 100% destemmed and naturally fermented in open top fermenters. Elevage took place in 500L French oak puncheons for 12 months.

TASTING NOTES

A youthful punch of red and black fruits on the nose with a delightfully savoury touch of black olive. That continues on the harmonious and well-weighted palate. A youthful, solid and (most importantly) delicious wine.

100% Syrah, 13.5% abv, Screw cap, WO. Swartland
